

I first met you down in lover's lane  
You were just like an angel with angels golden wings  
We walked along we'd sing a song the birds were singing too  
It'd be like heaven's here on earth just to be again with you

You're just the girl of my dreams  
lately my dreams never come true

At night we'd sit out in the old porch swing  
The stars were shining brightly and softly you would sing  
You'd sing of happy days gone by it makes me happy too  
It would be like heaven here on earth if I could be with you

You're just the girl of my dreams  
lately my dreams never come true

I first met you down in lover's lane  
You were just like an angel my little brown eyed Jane  
We walked along we'd hum a song the birds were singing too  
It'd be like heaven's here on earth just to be again with you

You're just the girl of my dreams  
lately my dreams never come true

You're just the girl of my dreams  
though it seems my dreams never come true
